Preface

Schools in Manitoba - Écoles du Manitoba is a comprehensive provincial directory of all schools, school divisions and districts. The directory includes addresses, telephone and fax numbers, as well as e-mail addresses for schools, school divisions and districts. It also contains the number of teachers and students, and the grade range in each school supplemented by an indication of the programming offered such as English, Français, French Immersion and Heritage Languages.

Schools operating on a semester system are identified as shown in the key which is printed below. In addition, a provincial summary can be found on page 9.

The school code assigned to every school by Manitoba Education and Training is provided and should be used as a reference number in all correspondence between schools and the department.

To accommodate frequent requests for summary information, school division and district listings include the total number of elementary and secondary schools. Elementary schools are defined as those which offer K-8 programs and secondary schools, S1-S4 programs. Consequently, the number of elementary and secondary schools does not necessarily correspond to the total number of schools in a division or district since schools offering K-S4 are counted as both an elementary and a secondary school.

M.E.R.L.I.N. has established the Manitoba School Email Network and has provided an e-mail address for each school in the province. This e-mail account is free of charge. M.E.R.L.I.N. will redirect the account, free of charge, to an existing Internet account regardless of the Internet Service Provider in order to save schools the cost of modem connect time.

Additional copies of *Schools in Manitoba - Écoles du Manitoba* can be purchased from the Manitoba Text Book Bureau, P.O. Box 910, 130-1st Avenue West, Souris, Manitoba, R0K 2C0; orders can be placed by calling 1-800-305-5515 (in Manitoba) or (204) 483-4040 (outside Manitoba). The catalogue number is 83855.

This directory was compiled by the Education Administration Services Branch of Manitoba Education and Training from information submitted by schools, school divisions and districts in September 1999, and reflects that data as accurately as possible.
